Draw on the power of Atlassian with Gliffy

- ✓ Create professional looking flowcharts, wireframes, UML, CRD, BPMN and more
- ✓ Use Templates, symbol libraries, and import images for fast diagram creation
- ✓ Intuitive interface makes it easy to learn

The screenshot shows a web browser window titled "music store". The navigation bar includes links for Home, Music, Artists, and Albums, along with Log Out, Your Cart, and Your Account. A search bar is present with a "Search" button. The main content area is divided into sections: "ARTIST NAME" (with a description and a placeholder for album art), "Choose an Album:" (with a list of albums and a "Choose" button), and "Related Artists" (with a list of artists and a "View" button). The bottom section shows "Popular Tracks" with a list of tracks and a "View" button. A checkbox for "Send me updates on this artist" is also visible.

1. For CD release, music search only
2. Related artists determined by user purchasing data mining
3. Album art to be approved by legal
