

Confluence Questions

The screenshot shows the Confluence Questions interface. At the top is a navigation bar with links for Spaces, People, Questions, Calendars, and a Create button. Below this is a search bar with the placeholder text "What do you want to know?" and an "Ask question" button. The main content area is divided into two columns. The left column lists questions with their vote counts, answer counts, and tags. The right column features a "Top Expert" section with a profile for David Richard (920 points) and an "Other Experts" section with profiles for Charles Miller (760 points), Sherif Mansour (705 points), and Julien Hoarau (670 points).
