The screenshot shows a JIRA browser window with the URL [jira.atlassian.com/browser/bonfire](https://jira.atlassian.com/browser/bonfire). The main content area displays a test session titled "Test the game mechanics". The session status is "Completed". The summary section shows 2 issues raised, 2 hours spent, and 1 participant. The activity log lists two events: "CREATED" and "STARTED" by user Edwin Wong on 03/06/11 at 12:25PM, followed by two bug reports from the same date: ANGRY-54 and ANGRY-55. A screenshot of the "Angry Nerds" game is attached to ANGRY-55. The session ends with a "COMPLETED" button.
