Contacts lookup widget

Added by John Doe | Last Modified by John Doe on Nov 20, 2023 | Status: Completed

State: Completed

The widget is designed to provide a quick and easy way to look up contact information for various departments. It includes a search bar and a list of results.

The widget is designed to be used in conjunction with the main system. It will be used to look up contact information for various departments.

High Level Requirements

- Look up contact information for various departments.
- Provide a quick and easy way to look up contact information.
- Provide a list of results for each search.
- Provide a way to filter results by department.

Specifications

- Look up contact information for various departments.
- Provide a quick and easy way to look up contact information.
- Provide a list of results for each search.
- Provide a way to filter results by department.

The screenshot shows a web interface for the '2023Q3 Quarterly Report'. It features a table with columns for 'Period', 'Revenue', 'Profit', and 'Growth'. The table contains several rows of financial data. A red box highlights the 'Revenue' column header.

The screenshot shows the 'Product Risk Management Policy' page in the Oracle Primavera P6 Enterprise Project Collaboration System. The page has a top navigation bar with 'Home', 'Tools', 'Help', and 'Log Out'. Below the navigation bar is a breadcrumb trail: 'Home > Tools > Help > Log Out'. The main content area is titled 'Product Risk Management Policy' and contains a form with the following fields: 'Product Name', 'Product ID', 'Product Description', and 'Product Category'. Below these fields are three buttons: 'Save', 'Cancel', and 'Print'. The 'Product Name' field is currently empty, while the other fields contain placeholder text. The 'Product ID' field has a dropdown arrow. The 'Product Description' field is a large text area. The 'Product Category' field is a dropdown menu. The 'Save' button is highlighted in blue. The 'Cancel' and 'Print' buttons are in a lighter blue color. The page also includes a 'Product Risk Management Policy' section with a description of the policy and a list of responsibilities.
