JIRA

	JIRA
2.2.0	6.0 - 6.0.8
2.1.1	5.0 - 5.1.7
2.1.0	5.0 - 5.1.2
2.0.1	5.0 - 5.0.7
1.0.9	4.0.1 - 4.4.5

The screenshot shows the JIRA Project Creator interface. The sidebar on the left contains navigation links: Dashboards, Projects, Issues, and Administration. The main content area is titled 'Project Creator' and includes a 'Key' field with the value '11.51.54'. Below this are fields for 'Type' (Project Creator), 'Status' (Open), 'Priority' (Major), 'Assignee' (admin), and 'Reporter' (admin). There are also 'Votes' (0) and 'Watchers' (0) fields. A red arrow points to a 'New Action' button. Below the form is a 'Time Tracking' section with a 'Not Specified' value. At the bottom, there is a 'Comments' section. A red arrow points to a comment that says 'The project 'PROJECT' has been successfully created'.

The screenshot displays the 'CustomFields Administration: Multi_User_Picker' interface. It features two side-by-side user selection lists. The left list, labeled 'JIRA developers', shows a search input and a list of users. The right list, labeled 'JIRA administrators', also shows a search input and a list of users. Below these lists is a button labeled 'Update Configuration'.

The screenshot displays the 'CustomFields Administration: Multi_User_Picker' window. It features two side-by-side user selection lists. The left list, labeled 'Jira developers', shows a single entry 'Jira developers'. The right list, labeled 'Jira administrators', shows a single entry 'Jira administrators'. At the bottom of the window is a button labeled 'Update Configuration'.

Create Custom Field: Choose the field type (Step 1 of 2)

Choose the field type from the list below. 24 types available

You can find more useful custom field types from the [JIRA Extensions](#) space
